

Park Shore Landings

PROJECTS UPDATE:

- Building painting is nearly completed! Next is touch ups, doors and carports. We will keep you updated!!
- Awnings are currently being installed on all lower levels and will be installed on upper levels in the month of December.

Holiday Social Events at PSL

Park Shore Landings Christmas Party

December 10, 6:30pm

Private room at Brio

Advance RSVP required.

Celebrate Christmas on Venetian Bay!

Please join us for the Venetian Bay Holiday Boat Parade!

December 12 5:00 pm at the guest boat dock (aka fishing dock)

Bring your beverage and a dish to share (consider that our space is small!)

Please bring chairs/blankets for seating!

Special thanks to all who generously donated to the tree lighting fund this year! Park Shore looks beautiful!

Toby and I want to wish each of you a very happy holiday season and a happy and healthy 2018.

ATTENTION:

Please take extra precaution when walking on the wet newly resurfaced areas around the pool and social room. Until the topcoat has had time to properly dry (without Mother Nature interfering), it can be slick when walking on!

Did you know?

For maximum efficiency, it's a good idea to replace your AC filter every 60 days when in use!

Christmas Hours

PSL Office will be closed Friday, Monday and Tuesday, Dec. 22, 25 & 26 for the Christmas Holiday!

Hotwire Update

Hotwire will begin installation in each unit beginning Dec. 4th **ONLY** if you have had your home survey with them. If you haven't yet had your survey, please contact them right away (239-217-3262). Also, please be aware that **You must be present during installation.** Due to the fact that and because a large number of you are not available in a large number of owners are not here during the month of December, we have extended services with Summit for one month only. After January 31, 2018, if you haven't had your installation appointment with Hotwire, you will experience an interruption of services. Please contact Sherri with any questions or concerns!!

Important Parking Information

If you are leaving Park Shore Landings for the holidays, please make sure that you leave your vehicle keys available for your home watch to move as we will be having carports repaired as well as the carport floors repainted. If you'd prefer to move your vehicle before you leave, we will be making several additional temporary spots this week for you to utilize. Please do not park long term in front of your building.
