

Park Shore Landings

PROJECTS UPDATE:

- Front doors are in process of being painted. See attached sheet for the date for your unit!
- Awnings are almost all installed. Oversaturation of the ground has caused delay in install due to the lifts unable to gain access to upper areas.
- Several storage room doors are set for replacement beginning the week of January 8th. Individual owners will be contacted if their unit door is being replaced.

Hotwire Update

Hotwire began installation in each unit beginning Dec. 4th and have completed/scheduled for install 80% of all units. **If you haven't scheduled your installation appointment yet, please contact the Launch team at** (239-217-3262). Also, please be aware that **You must be present during installation.** We have extended our services with Summit until January 31, 2018. After that date, any unit that has NOT made contact with Hotwire **will** experience an interruption of services. Please contact Sherri with any questions or concerns!!

Please return all of your Summit Equipment back to their office in Naples as soon as your services have been transferred to Hotwire.
