A Monthly update for Owners of Park Shore Landings

Summer Projects UPDATE

Buildings 1, 2 and 4 will all be having summer projects beginning this week. All projects will be monitored by management!

Did you know??

It's a good idea to have someone check on your PSL home every couple of weeks. If you currently do not have a home watch company, please contact Sherri at 649-4430 or sherrig@sandcastlecm.com for the names of home watch services available.

The first edition of your newsletter.

Every month, I will continue to update you on all things Park Shore Landings! Stay tuned! As we have more to report, you'll be the first to know!!

Paint & Awning Colors

After numerous discussions, color options and debate...your Board has come up with the palate for the building, accent, railings and awning.

The color choices are above - the top color (Sea Pearl) will be the main building color. The 2nd color (warm blush) will be the accent color and the bottom color will be the railing color. The cloth sample is the awning color. The Board is believes this color scheme is back on track towards the original colors.

What's Happening?

We are currently awaiting bids for the following projects:

Building and carport painting, lawn care and landscaping services, pool deck resurfacing, pool heater replacement, railings for office area and pool.
